ATTN : TO WHOM IT MAY CONCERN  
SUBJECT : ENERGYA CABLES

Dear Sir,

This is to inform that the technical documents submitted by ENERGYA CABLES has been reviewed and found to be satisfactory with regards to the Manufacturing as far as the Processes and Standards are concerned.

In view of these, we would like to recommend the above Cables manufactured by ENERGYA CABLES to be specified and use for future requirements.

Yours faithfully,

For: CEG
