

Energya Power Cables

elsewedy HELAL

About Us

Since 1937, “Energya Industries” has evolved as a multi-discipline business group with diversified business operations in:

- Manufacturing.**
- Distribution.**
- Turnkey Projects in Power & tele communications field.**
- Industrial Zones Development.**

“Energya Industries” is one of the biggest players in the Power & Telecom business in the Middle East and Africa, with operations in Egypt, Algeria, Libya, Sudan, Saudi, UAE, Qatar, Bahrain , Lebanon, Pakistan.

With turnover exceeding \$2 billion. and manpower of over 7000, the group’s success keeps increasing.

History

- **1937**
Electrical products distribution in Egypt.
- **1960s**
Electrical products distribution in Saudi Arabia .
- **1980s**
Manufacturing our own brands in Egypt and Saudi Arabia.
- **1990s**
Manufacturing our own components Copper, PVC, Lighting.
- **2000s**
Regional expansion in core business.

Our Vision

“Global vision.....Local presence “

**To rank as “Top World Class” Electrical Products
& Services Provider in the Power and Telecom industry.**

Our Mission

**To deliver competitive and sustainable Power and Telecom
infrastructure solutions, to governmental & private sectors,
by Providing advanced Products, Services & turnkey
solutions of surveying, designing, planning, Manufacturing,
supplying, installation, testing & maintenance.**
